The above parties agree to collaborate in the activities shown below within this framework

STUDENT MOBILITY

Field of Study/Academic Program	Country		Total number	
	From	To	Students	Student months (= sum)
Electronics and Telecommunications Engineering	ES	US	2	12 (=24)
	US	ES	2	12 (=24)

EXCHANGE CONDITIONS

The parties mentioned above agree to carry out this exchange of students and are committed to not sending more students than the number agreed to.

There are no economic conditions associated and each student will meet the enrolment costs in the institution of origin, and this payment is exempted from the destination institution.

Those students participating in this exchange will be responsible for all costs as regards transport, accommodation, visa fees, and residence permits, where necessary, together with all other personal costs.

This bilateral agreement is subject to the remaining conditions agreed to in the specific generic agreement signed between both universities and to which this agreement is the product.

Signatures of the legal representatives/heads of institutions of both institutions
