

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Campus Aguascalientes			
Business/Commerce/Management			
Administrative Consultancy and Business Intelligence			x
Advertising and Interactive Media			x
Business Statistics I		x	
Competitive Intelligence and Geo-economics			x
Cost and Price Management	x		
Customs Operations			x
Enterprise Economics	x		
Enterprise, Culture and Business in The World	x		x
Financial Information for Decision Making			x
Financial Mathematics	x		x
Innovation Project on Enterprise Strategy			x
Integrated Marketing Communication			x
Intercultural Negotiation and Communication	x		
International Business Management			x
International Logistics	x		x
International Services Development	x		x
International Trade Agreements of Mexico			x
Inventory Management			x
Leadership for Entrepreneurial Development			x
Legal Aspects of International Commerce	x		x
Macroeconomic Environment	x		
Management			x
Managerial Accounting	x		x
Marketing and Creativity	x		x
Negotiation Techniques	x		
Negotiation Techniques and International Trade	x		x
Organizational Behavior and Human Talent Development	x		x
Project Evaluation and Management	x		
Project Valuation and Financing			x
Strategic Direction and Upper Management			x
Design and Applied Arts			
Facility Design and Materials Management	x		
History of Architecture and the City III			x
Engineering and Sciences			
Analysis and Enhancement of Manufacturing Systems	x		
Applied Electronics	x		
Decision-making Models	x		
Design and Analysis of Experiments	x		
Design and Improvement of Logistic Systems	x		x
Discrete Event Simulation			x
Electronics			x
Integral Electronics Laboratory			x
Manufacturing Models			x
Manufacturing Processes			x
Mathematics I			x
Mathematics II	x		
Mechanics of Materials			x
Mechatronic Design			x
Operational Design and Optimization Laboratory	x		
Optimization Models			x
Physics I			x
Plastic Part Design			x
Production Management			x
Quantitative and Optimization Models	x		x
Statistical Engineering	x		x
Statistical Quality Control			x
Statistics I	x		
Strategic Planning	x		
Supply Chain Planning and Control			x
Systems Engineering Laboratory	x		
Information Technology and Electronics			
Advanced Computer and Information Security			x
Advanced Networks	x		
Computer and Information Security	x		
Network Interconnection	x		
Strategic Information Systems			x
Social Sciences and Humanities			
Business Communication	x	x	x
Business Law			x
Business Law and Intellectual Property	x		
Citizenship and Democracy	x		
Communication, Signs, and Signification			x
Digital Media Lab			x
Ethics, Self and Society	x		x
International Politics			x
Science, Technology, and Sustainable Development	x		
Social Responsibility and Citizenship	x	x	x
Campus Chiapas			
Business/Commerce/Management			
Enterprise, Culture and Business in The World	x		

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus Campus Chihuahua	January-May	June-July	August-December
Business/Commerce/Management			
Advertising and Interactive Media	x		
Analysis and Management of the Value Chain	x		x
Branding and New Products Development	x		
Business Creativity Lab and Workshop	x		
Competitive Intelligence and Geo-economics			x
Competivity and Geoeconomics	x		
Consumer Behavior and Business Opportunities	x		
Cost Analysis	x		
Creativity in Marketing Communication	x		
Debt Instruments and Securitization			x
Enterprise Economics	x		x
Enterprise, Culture and Business in The World	x		x
Finance Project			x
Financial Information Analysis			x
Financial Information for Decision Making			x
Financial Mathematics	x		x
Financial Risk Management			x
Forecasting for Decision Making	x		x
Foreign Policy Analysis			x
Futures, Options and other Derivative Products	x		
Innovation in Business Models and Family Business Management			x
Innovation Project on Business Processes	x		
Innovation Project on Human Capital Development			x
Innovation, Markets and Technological Development	x		x
International Commercial Law and Policies			x
International Marketing			x
International Strategic Seminar	x		
Legal Aspects of International Commerce			x
Macroeconomic Environment	x		x
Management and Business Model Innovation			x
Managerial Accounting			x
Marketing and Creativity			x
Negotiation Techniques and International Trade	x		x
Organizational Behavior and Human Talent Development	x		x
Organizational Learning and Knowledge Management	x		x
Personal and Business Finance			x
Price Management	x		
Project and Process Strategic Management	x		
Regional Business Development	x		
Sales Promotion	x		x
Strategic Marketing Seminar	x		x
Strategic Purchase Management	x		
Transportation and Traffic Systems II			x
Design and Applied Arts			
Design and Ethnography Methods			x
Music Appreciation I	x		x
Product Design			x
Engineering and Sciences			
Advanced Manufacturing			x
Computer Drawing			x
Control Engineering			x
Design and Improvement of Logistic Systems	x		x
Design Methodologies			x
Design of Chassis and Components			x
Dynamics			x
Finite Elements Method			x
Fluid Mechanics	x		
Heat Transfer	x		x
Machine Design and Development	x		x
Mathematics for Design			x
Mathematics I			x
Mathematics II	x		
Mathematics III			x
Mechanical Engineering Capstone Project	x		x
Mechanics of Materials	x		x
Mechanism Analysis and Simulation	x		x
Project of Mechatronics Engineering			x
Quantitative and Optimization Models			x
Statistical Methods for Decision Making			x
Structural Design Capstone Project			x
Vehicles Dynamics			x
Information Technology and Electronics			
Enterprise Information Systems			x
Microcontroller Laboratory			x
Real Time Control Systems			x
Social Sciences and Humanities			
Alternatives for Dispute Resolution	x		x
Business Communication	x		x
Business Law			x
Business Law and Intellectual Property	x		
Contemporary Art and Culture	x		x
Contemporary World History	x		

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Ethics, Profession and Citizenship	x		x
Ethics, Self and Society	x		x
Geopolitics and Global Changes	x		
History of Latin America and the Caribbean			x
Human Rights	x		
Intellectual Property Law			x
International Contracts	x		x
International Corporate Law			x
International Politics	x		
North American Regional Scenario			x
Philosophy and Contemporary Thought			x
Private International Law	x		
Public International Law	x		
Public Speaking and Academic Writing			x
Understanding Cultures of the World			x
Campus Ciudad de México			
Business/Commerce/Management			
Analysis and Management of the Value Chain	x		x
Brand Management	x		
Business Strategic Foresight	x		x
Competitive Intelligence and Geo-economics	x		x
Consumer Behavior	x		x
Consumer Theory	x		x
Cost and Price Management	x		x
Economic Development			x
Economic Growth	x		
Economy to Business Creation			x
Enterprise Economics	x		x
Enterprise, Culture and Business in The World	x	x	x
Financial Information Analysis	x		x
Financial Information for Decision Making	x		x
Financial Mathematics	x		x
Forecasting for Decision Making	x		x
Global Brands and Product Development	x		
Global Economics			x
Industrial Organization and Regulation	x		x
Innovation, Markets and Technological Development	x	x	x
Intercultural Negotiation and Communication	x	x	
Intermediate Microeconomics	x		x
International Business Intelligence			x
International Finance and Open Economy	x		x
International Finance and Risk Management	x	x	x
International Logistics			x
International Marketing	x	x	x
International Strategic Management	x		x
Leadership for Entrepreneurial Development	x		x
Macroeconomic Environment	x		x
Macroeconomics and Business Cycles	x		x
Management and Business Model Innovation			x
Managerial Accounting	x		x
Marketing and Creativity	x		x
Microenterprise Planning for Social Development	x		x
Monetary Theory and Politics			x
Negotiation Techniques and International Trade	x		x
Organizational Learning and Knowledge Management	x		x
Personal and Business Finance	x		x
Planning, Innovation and Strategic Sustainability	x		
Project Evaluation and Management			x
Quality Management Strategies	x		x
Regional Economics			x
SAP Certification in the Finance Module I		x	
SAP Certification in the Finance Module II		x	
SAP Certification in the SD Module I	x		x
SAP Certification in the SD Module II	x		x
Design and Applied Arts			
Advanced Architecture Technology	x		x
Advanced Digital Representation Techniques	x		x
Architecture Theory and Design Methodologies	x		x
Building and Energy Efficiency			x
Business Management in the Construction Industry			x
Descriptive Geometry			x
Design and Ethnography Methods	x		
Design Ergonomics	x		
Design Fundamentals I	x		x
Design Fundamentals II	x		
Drawing	x		x
Form Exploration Workshop I	x		
Form Exploration Workshop II	x		x
Futurology in Industrial Design	x		
History of Architecture and the City III	x		x
Industrial Design of the Company	x		
Innovation, Design and Business Setting	x		x
Models and Scale Models	x		x
Music Composition and Digital Arranging Workshop	x		x

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Musical Production Project			x
Post-production and Digital Mastering Workshop			x
Product and service design	x		x
Product and System Design I	x		x
Product Design	x		x
Projects I: Residential Housing	x		x
Projects II: Collective Housing			x
Projects III: Educational or Recreational Buildings	x		x
Projects IV: Community Buildings	x		x
Projects V: Mixed-use Complexes	x		x
Urban Design Methods			x
Urban Project	x		x
Urban Theories	x		x
Engineering and Sciences			
Advanced Methods for Strength of Materials			x
Alternative Energy			x
Analysis and Enhancement of Manufacturing Systems	x		x
Applied Electronics	x		x
Automotive Design	x		
Biodesign	x		
Biology and Sustainable Development	x		x
Biomechanics			x
Bioprocess Laboratories	x		x
Bioseparations			x
Businesses and Ecosystems Conservation	x		x
Capstone Project for Sustainable Development			x
Climate Change and Energy Use	x		x
Computerized Control for Electric Machinery	x		
Design and Improvement of Logistic Systems	x		x
Design in Biomedical Engineering	x		
Differential Equations	x		x
Dynamics	x		x
Electrical Machines Control Laboratory			x
Electricity and Magnetism	x		
Electromechanical Energy Conversion	x		
Electromechanical Energy Conversion Laboratory	x		
Electromechanical Prototype Simulation and Construction			x
Electronics	x		x
Energy Generation Systems			x
Engineering Project Laboratory I			x
Engineering Project Laboratory II			x
Experimental Chemistry	x		
Finite Elements Method in Engineering			x
Food Sciences Lab	x		
Genetic Engineering Laboratory	x		x
Genetics	x		
Heat Transfer	x		
Heat Transfer Operations	x		
Industrial Power Systems			x
Integrated Manufacturing Systems	x		x
Integrated Manufacturing Systems Laboratory	x		x
Integrative Project			x
Introduction to Professional Development			x
Introduction to Supply Chain Management	x		
Knowledge Systems in Organizations	x		x
Materials Technology	x		x
Mathematics for Design	x		
Mathematics I	x		x
Mathematics II	x		x
Mathematics III			x
Mechatronic Instrumentation Laboratory			x
Metabolic Engineering	x		
Molecular Biology	x		x
Numerical Methods in Engineering	x		x
Operational Design and Optimization Laboratory	x		x
Physics I	x		x
Physics II	x		
Probability and Statistics			x
Problem-Solving Methodologies			x
Process Automation	x		
Process Automation Laboratory	x		
Product and System Design II	x		x
Production Laboratory	x		
Professional Insertion Project	x		x
Project Feasibility			x
Quantitative and Optimization Models	x		x
Robot Vision			x
Social Responsibility and Corporate Sustainability		x	x
Statics	x		x
Statistical Methods for Decision Making	x		
Statistical Quality Control	x		x
Strategic Planning	x		x
Strategies for Innovation and Design in Bioengineering	x		
System Dynamics	x		x

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Systems Engineering Laboratory	x		x
Technological Innovation Systems			x
Thermodynamics	x		x
Thermodynamics Engineering			x
Vehicle Dynamics			x
Wireless Communications Laboratory	x		
Health Sciences			
Food Chemistry Laboratory	x		
Food Sciences	x		
Information Technology and Electronics			
2D Digital Animation			x
Advanced Programming			x
Compiler Design	x		
Digital Audio Systems for Web and Mobile Devices	x		
Introduction to Networks	x		x
JAVA Certification Workshop			x
MIDI Systems	x		x
Mobile Systems, Infrastructures and Technologies			x
Music Production and Digital Mixing Workshop			x
Network Interconnection			x
Operating Systems			x
Physical Interfaces			x
Software Design and Architecture			x
Sound Synthesis and Signal Processing			x
Strategic Information Systems	x		x
Virtual Environments			x
Social Sciences and Humanities			
Advertising and Commercial Photography	x		x
Africa Regional Scenario	x		x
Alternatives for Dispute Resolution			x
Analysis and Verbal Expression	x		
Applied Strategic Communication	x		x
Asia Pacific Regional Scenario	x		x
Audiovisual Language and Narrative	x		x
Business Law	x		
Business Law and Intellectual Property	x		
Comparative Politics			x
Contemporary Art and Culture	x		
Contemporary Art and Society			x
Contemporary Literature and Society	x		x
Contemporary World Literature	x		x
Corporate Image			x
Design for Sustainability and Social Innovation	x		
Digital Journalism			x
Digital Tribes and Communication			x
Diplomatic and Consular Policies			x
Directing and Mise en Scene			x
Documentary Production	x		x
Economic Globalization	x		
Economic Law	x		
Ethics, Self and Society	x		x
Europe Regional Scenario			x
Film Production			x
Geopolitics and Global Changes			x
Human Rights and World Politics		x	
Intellectual Property Law			x
International Contracts	x		x
International Humanitarian Law			x
International Organizations and Institutions	x		x
International Politics	x		x
International Relations Theory I	x		x
International Relations Theory II	x		
Latin American and Caribbean Regional Scenario	x	x	
Media Projects Management and Evaluation			x
Mercantile Contracts			x
Middle East Regional Scenario	x		
North American Regional Scenario	x		x
Philosophy and Contemporary Thought	x		x
Photography and Digital Imaging	x		x
Public Financial Law	x		x
Public Relations	x		x
Public Speaking and Academic Writing			x
Publications Design and Production			x
Radio Journalism	x		
Science, Technology, and Sustainable Development	x		x
Scriptwriting	x		x
Social and Regional Policy	x		
Social Anthropology	x		x
Strategic Communication Fundamentals			x
Strategic Prospective	x		x
Verbal Expression in the Workplace			x
Campus Ciudad Juárez			
Business/Commerce/Management			
Business Incubator Lab and Workshop	x		

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Corporate Taxation	x		
Customs Operations			x
Family Business Lab and Workshop	x		
Financial Information for Decision Making	x		x
Innovation Project on Regional Businesses	x		
International Commerce Operations	x		
International Financial Reports	x		
International Services Development	x		
Inventory Management	x		
Managerial Accounting			x
Organizational Learning and Knowledge Management	x		
Transportation and Distribution Management			x
Design and Applied Arts			
Design Fundamentals I			x
Introduction to Interactive Design			x
Engineering and Sciences			
Climate Change and Energy Use	x		
Computer Drawing	x		
Discrete Event Simulation	x		
Dynamics			x
Mathematics for Design			x
Mathematics I			x
Mathematics II			x
Mechatronic Instrumentation Laboratory			x
Statics	x		
Statistical Engineering			x
Thermodynamics			x
Information Technology and Electronics			
Business Information Technology			x
Development of Distributed Applications in Internet	x		
Strategic Information Systems	x		
Social Sciences and Humanities			
Business Communication			x
Citizenship and Democracy	x		x
Communication and Cultural Studies			x
Communication, Signs, and Signification			x
Contemporary Art and Society	x		x
Ethics, Self and Society	x		
Geopolitics and Global Changes	x		
Interactive Media Design and Production			x
Philosophy and Contemporary Thought	x		
Sociology	x		x
Campus Ciudad Obregón			
Business/Commerce/Management			
Inventory Management	x		
Design and Applied Arts			
Facility Design and Materials Management	x		
Engineering and Sciences			
Electricity and Magnetism			x
Mathematics II	x		
Physics I	x		x
Social Sciences and Humanities			
Business Communication	x		
Readings and Videos			x
Campus Cuernavaca			
Business/Commerce/Management			
Administrative Consultancy and Business Intelligence	x		
Business in the Industry of Music and Entertainment			x
Competitive Intelligence and Geo-economics	x		
Consumer Behavior	x		
Effective Communication	x		
Enterprise Economics	x		
Enterprise, Culture and Business in The World			x
Financial Econometrics I			x
Financial Econometrics II	x		
Financial Modeling			x
Innovation in Business Models and Family Business Management	x		
International Financial Management	x		
International Logistics	x		
International Marketing			x
International Services Development			x
Leadership for Entrepreneurial Development	x		x
Leadership Skills	x		
Management and Business Model Innovation			x
Management of Banks and Financial Groups			x
Money and Capital Markets	x		
Planning Processes and Models	x		
Project Evaluation and Management			x
Risk Management and Regulation	x		
Seminar on Creative and Entertainment Industries	x		
Valuation, Mergers and Acquisitions	x		
Design and Applied Arts			
3D Sculpture	x		
Animation and Digital Art Project			x

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Models and Scale Models	x		
Engineering and Sciences			
Actuators	x		
Analysis and Enhancement of Manufacturing Systems	x		
Analysis of Signals and Systems	x		
Chemistry	x		
Climate Change and Energy Use			x
Control Engineering	x		
Design and Improvement of Logistic Systems	x		
Dynamics			x
Energy Balance	x		
Industrial Informatics	x		
Integral Electronics Laboratory	x		
Integrated Manufacturing Systems			x
Logic Automatism Laboratory	x		
Logic Automatisms	x		
Materials Technology			x
Mathematics I			x
Mathematics II	x		
Mechatronic Design	x		
Mechatronics Laboratory			x
Momentum Transfer Operations	x		
Project Feasibility	x		
System Dynamics	x		
Information Technology and Electronics			
2D Digital Animation	x		
Communication and Media Studies	x		
Computer Graphics	x		
Databases	x		
Development of Videogames	x		
Ecosystems and Biodiversity	x		
Integral Automatic Control Laboratory	x		
International Communication	x		
Introduction to Networks	x		
Mobile Application Development Projects	x		
Natural Resources Management and Climate Change	x		
Object-Oriented Programming	x		
Poverty and Development in Mexico		x	
Rigging for 3D Animation	x		
Virtual Environments			x
Social Sciences and Humanities			
Advanced Digital Modeling	x		
Applied Strategic Communication			x
Audiovisual Language and Narrative	x		
Business Communication	x	x	x
Classical Political Thinking	x		
Communication and Cultural Studies			x
Communication, Signs, and Signification	x		
Contemporary Art and Culture			x
Digital and Interactive Media Aesthetics	x		
Digital Modelling	x		
Documentary Production			x
Interactive Media Design and Production	x		
International Politics			x
International Relations Seminar			x
Media Narrative Design and Production	x		
Mexican Culture	x		
Mexican Foreign Policy			x
Mexican Identity and Culture	x		
Multi-Platform Television Production	x		
Negotiation and Conflict Management			x
Quantitative Social Research Methods			x
Sociology	x		
State and Economy			x
Strategic Communication Fundamentals	x		
Campus Estado de México			
Business/Commerce/Management			
Advertising and Interactive Media	x		x
B2B Marketing	x		x
Business Process Management			x
Change Management			x
Competitive Intelligence and Geo-economics	x		
Consumer Behavior	x		x
Cost and Price Management	x		
Digital Commerce and Sales			x
Dynamic Macroeconomics	x		
Economic Growth			x
Enterprise Economics	x		
Enterprise, Culture and Business in The World	x		x
Financial Information Analysis	x		
Financial Mathematics	x		
Forecasting for Decision Making	x		
Foreign Policy Analysis	x		
Innovation, Markets and Technological Development	x	x	x

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Intermediate Accounting: Financing Cycle and Updating Information	x		
Intermediate Accounting: Operating Cycle and Investment			x
International Business Management			x
International Strategic Management	x		
Management and Business Model Innovation			x
Managerial Accounting			x
Marketing and Creativity	x		x
Money and Capital Markets	x		
Negotiation Techniques	x		
Negotiation Techniques and International Trade	x		x
Organizational Behavior and Human Talent Development			x
Organizational Learning and Knowledge Management	x		x
Planning Processes and Models	x		x
Planning, Innovation and Strategic Sustainability	x		
Project Evaluation and Management	x	x	x
Project Valuation and Financing	x		x
Regional Business Development	x		x
Design and Applied Arts			
Architecture Theory and Design Methodologies	x		
Building Information Modeling			x
Construction Site Management	x		
Critical Analysis of Architecture and its Context			x
History of Architecture and the City I	x		
History of Architecture and the City II	x		x
History of Architecture and the City III	x		x
History of Architecture and the City IV	x		x
Language and Meaning of Objects	x		
Product and service design			x
Product and System Design I		x	
Real-estate Projects			x
Urban Design Methods			x
Urban Theories	x		x
User-centered Design			x
Engineering and Sciences			
Advanced Methods for Strength of Materials	x		x
Analysis and Enhancement of Manufacturing Systems	x		x
Bioprocess Engineering I			x
Bioprocess Engineering II	x		
Chemical Process Analysis			x
Chemical Process Design	x		
Chemical Reaction Engineering	x		
Computer Drawing	x		x
Computerized Control			x
Computerized Control for Electric Machinery			x
Differential Equations	x		x
Dynamics			x
Efficient Use of Energy			x
Electrical Circuits II	x		
Electricity and Magnetism			x
Energy Balance			x
Equilibrium Thermodynamics	x		x
Fluid Mechanics	x		x
Food and Bioproducts Development			x
Heat Transfer	x		x
Industrial and Systems Engineering Project			x
Manufacturing Models	x		x
Material Balances			x
Materials Technology			x
Mathematics I	x		
Mathematics II	x		
Mathematics III	x		x
Mechanical Vibrations			x
Mechanics of Materials	x		x
Mechanism Analysis and Simulation	x		
Mechatronic Design	x		
Molecular Diagnostics I			x
Molecular Diagnostics II	x		
Physics I	x		
Physics II	x		
Probability and Statistics			x
Process Automation			x
Process Automation Laboratory	x		x
Process Optimization and Design Laboratory	x		
Product and System Design II	x		
Production Management	x		x
Professional Insertion Project			x
Quantitative and Optimization Models		x	x
Separation Processes	x		
Statics	x		x
Statistical Methods for Decision Making	x		x
Systems Engineering Laboratory	x		
Technological Innovation Systems	x		x
Thermodynamics Engineering	x		x
Wireless Communication	x		

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Work Design	x		
Information Technology and Electronics			
Advanced Database Systems	x		
Advanced Programming			x
Fundamentals of Animation			x
Integral Automatic Control Laboratory			x
Microcontrollers			x
Operating Systems	x		x
Problem Solving with Programming	x		
Programming Languages			x
Software Design and Architecture			x
Social Sciences and Humanities			
Aesthetics	x		x
Asia Pacific Regional Scenario			x
Beliefs Systems and Globalization	x		
Communication and Cultural Studies	x		
Communication, Signs, and Signification	x		
Contemporary Art and Society			x
Digital and Interactive Media Aesthetics	x		x
English for Lawyers			x
Ethics, Self and Society			x
Fundamentals of Political Science			x
Group Dynamics	x		x
Human Development			x
Human Development II			x
Interactive Media Design and Production	x		
International Politics	x		x
International Relations Seminar	x		
International Relations Theory I			x
International Relations Theory II	x		
International Security and Disarmament	x		
Media Narrative Design and Production	x		x
Mexican Culture	x		x
Mexican Identity and Culture	x		
Multi-Platform Audio Production	x		
Music Appreciation II			x
North American Regional Scenario			x
Philosophy and Contemporary Thought	x		x
Private International Law	x		
Psychopathology			x
Public International Law			x
Public Speaking and Academic Writing	x		x
Quantitative Social Research Methods			x
Readings and Videos			x
Social and Public Projects Management	x		
Sociology	x		
Theory and Practice of Sound			x
World History of the 20th and 21st Centuries	x		
Campus Guadalajara			
Business/Commerce/Management			
Analysis and Management of the Value Chain	x		x
B2B Marketing	x		
Business Incubation and Starting Up Strategic Operations	x		
Business Incubator II			x
Business Incubator IV	x		x
Business Incubator V	x		x
Business Technology and the OET	x		
Company Networking and Associations	x		x
Competitive Intelligence and Geo-economics	x		x
Consumer Behavior	x		x
Control and Business Development	x		x
Corporate Governance and Capital Markets	x		
Cost and Price Management	x		
Credit Management	x		x
Digital Commerce and Sales	x		x
Economics for International Business	x		
Economy to Business Creation	x		x
Enterprise Economics	x		
Enterprise, Culture and Business in The World	x		x
Entrepreneurial Project Management	x		
Entrepreneurial Strategic Direction	x		x
Family Business Acceleration Models			x
Financial Information Analysis	x		
Financial Information for Decision Making			x
Financial Mathematics			x
Financial Risk Management	x		
Financial Structure and Corporate Governance	x		
Forecasting for Decision Making	x		
Foreign Policy Analysis	x		x
Incubation and Business Models	x		x
Innovation, Markets and Technological Development	x		x
Intercultural Negotiation and Communication			x
International Business Intelligence	x		x
International Business Management			x

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
International Finance			x
International Financial Management	x		
International Financial Reports	x		
International Logistics	x		x
International Management			x
International Marketing	x		
International Negotiations	x		
International Services Development	x		x
International Strategic Management	x		
International Strategic Seminar	x		
International Trade Agreements	x		x
Inventory Management	x		x
Leadership for Entrepreneurial Development	x	x	x
Macroeconomic Environment			x
Management and Business Model Innovation			x
Management of Banks and Financial Groups	x		x
Managerial Accounting	x		x
Marketing and Creativity	x		x
Microenterprise Planning for Social Development	x		
Negotiation Techniques and International Trade	x		x
Organizational Behavior and Human Talent Development			x
Organizational Learning and Knowledge Management	x		
Personal and Business Finance	x		x
Planning, Innovation and Strategic Sustainability			x
Project and Process Strategic Management	x		x
Project Evaluation and Management	x		x
Project Valuation and Financing	x		x
Quality Management Strategies	x		x
Quantitative Marketing Research	x		x
Regional Business Development	x		x
Risk Analysis and Management	x		
Risk Management and Regulation			x
Selected Topics on High Business Management			x
Selling and Sales Management	x		x
Social Entrepreneurship	x		x
Strategic Services Marketing	x		
Technology and Marketing	x		x
Valuation, Mergers and Acquisitions	x		x
Design and Applied Arts			
Animation and Digital Art Project			x
Architecture and Design of Supply Chains	x		
Architecture Theory and Design Methodologies	x	x	x
Artistic Drawing	x		
Capstone Project II	x		
Capstone Project III			x
Design Advanced Theories	x		
Design Ergonomics			x
Design of Steel Structures	x		x
Experience Design II	x		
Facility Design and Materials Management	x		
Futurology in Industrial Design	x		x
Interactive Animation for Mobile Devices			x
Introduction to Interactive Design	x		
Jewelry Design and Making workshop	x		
Projects III: Educational or Recreational Buildings			x
Projects IV: Community Buildings	x		
Projects V: Mixed-use Complexes	x		x
Technology Approaches to Urban Models			x
Urban Design Methods	x		x
Urban Theories			x
User-centered Design	x		
Engineering and Sciences			
Advanced Mathematics	x		x
Analysis and Enhancement of Manufacturing Systems			x
Analysis and Genetic Breeding	x		
Biology and Sustainable Development			x
Biomaterials	x		
Biomechanics			x
Biomechanics Laboratory			x
Chemistry	x		x
Chemistry Laboratory	x		x
Climate Change and Energy Use	x		
Concrete Structures Design	x		
Control Engineering	x		x
Decision-making Models	x		x
Design and Improvement of Logistic Systems	x		x
Design in Biomedical Engineering	x		
Design Physics			x
Differential Equations	x		x
Digital Systems	x		x
Discrete Mathematics			x
Dynamics			x
Electrical Circuits I			x
Electricity and Magnetism	x		x

Courses in English at Tecnológico de Monterrey 2015

Tecnológico de Monterrey / Campus	January-May	June-July	August-December
Electronics			x
Genetic Engineering			x
Genetics	x		
Geomatics	x		x
Highway Engineering	x		x
Industrial Informatics	x		x
Industrial Robotics	x		
Integrated Manufacturing Systems Laboratory	x		
Introduction to Bioinformatics			x
Introduction to Mathematics			x
Linear Algebra			x
Machine Design and Development	x		x
Mathematics for Design			x
Mathematics I	x		x
Mathematics II	x		x
Mathematics III	x		x
Mechanics of Materials	x		x
Mechanism Analysis and Simulation	x		x
Molecular Biology			x
Molecular Diagnostics II	x		
Numerical Methods in Engineering	x		
Operational Design and Optimization Laboratory	x		x
Optimization Models	x		x
Physics I	x		x
Physics II	x		x
Problem-Solving Methodologies			x
Production Management	x		x
Project Feasibility	x		x
Quantitative and Optimization Models			x
Statics	x		x
Statistical Methods for Decision Making			x
Statistical Quality Control	x		x
Statistics I	x		x
Statistics II	x		
Strategic Planning	x		x
Strategies for Innovation and Design in Bioengineering	x		
Structural Design Capstone Project	x		x
Structural Systems	x		x
System Dynamics	x		x
Systems Engineering Laboratory			x
Thermodynamics			x
Tissue Culture Laboratory			x
Transport Infrastructure			x
Work Design	x		
Health Sciences			
Advanced Biomechanics	x		
Chemical Foundations of Metabolism and Physiology			x
Microbiology	x		
Microbiology and Parasitology			x
Microbiology Laboratory	x		
Research Project in Physics I			x
Information Technology and Electronics			
Analysis and Design of Algorithms	x		x
Business Information Technology			x
Business Solution Development Capstone Project			x
Computer Graphics			x
Computer Organization	x		x
Data Structures			x
Intelligent Computer Techniques for Real Problem Solving			x
Intelligent Systems	x		
Introduction to Computer Science			x
Introduction to Software Engineering			x
Management of Software Engineering Projects			x
Mobile Application Development Projects	x		
Object-Oriented Programming	x		x
Operating Systems			x
Problem Solving with Programming	x		x
Programming Fundamentals	x		x
Programming Languages			x
Strategic Information Systems	x		x
Videogame Development Project	x		x
Web Application Development Laboratory	x		
Web Applications Development			x
Social Sciences and Humanities			
Advanced Film Direction	x
