Viacom Spain Internship Program

Viacom Spain is always looking for the very best talent. From day one, you'll be totally immersed as you develop your skills in one of the world's best known companies of entertainment. There will also be lots of opportunities to run your own challenging and rewarding projects.

Over our program, you can:

- Join us wherever there's an opportunity in the Operations & Technology Department
- Learn from some of the most experienced people in the business
- Be immersed in our innovative and friendly culture
- Develop business skills as well as broadening your professional network

What we offer:

- **GAIA** Program of 1 year (6+6 months) length (full time) in our Operations & Technology Department
- Total immersion in day-to-day business activities
- Exciting & challenging projects
- A mentor to guide and support you throughout the internship program

Your role:

- Coordination of the maintenances for all the technical areas and post-production facilities
- First level of technical support for the Production & Programming departments of VIMN Iberia
- Taking part in the development, implementation, and supervision of new projects for the VIMN Iberia Channels
- Management of the relationship with our broadcast services providers and clients
- Preparation of reports and inventories
- General support for the Operations & Technology department

What we are looking for:

- Graduates in Telecommunication Engineering Degree (Sound & Image area) who have passion for the media sector
- Additional knowledge in these areas will be valued:
 - Digital Television (Terrestrial/Satellite/Cable)
 - Production of Television Signal and Broadcasting

- Signal Distribution
 - Post-Production Systems (Premiere, ProTools, Final Cut, Nuendo)
 - Equipment for Video signal processing
 - New Technologies on Video and Television (HDTV, 4K, IPTV, VOD & Catch-up, Interactive apps)
 - Channel Management Systems (CMS)
 - Media Asset Management (MAM)
 - Tapeless systems and digital formats for Video Storage
-
- Advanced level of English, spoken and written
 - Team players and goals-oriented
 - Organizational Skills and flexibility for assuming new tasks
 - Motivation and passion for learning

If you consider you meet all the requirements, please apply for the program!!
